

# 2026 PARTNERSHIP

[DOWNTOWNHAYS.COM/PARTNER](http://DOWNTOWNHAYS.COM/PARTNER)

Dear Friends and Community Partners,

I hope this letter finds you well and enjoying a strong start to the year. On behalf of The Bricks in Downtown Hays (Downtown Hays Development Corporation), I want to thank you for the many ways you help make our downtown a vibrant and welcoming place.

Downtown Hays is more than a collection of businesses and buildings—it is the heart of our community. It is where neighbors gather, traditions are celebrated, local entrepreneurs thrive, and memories are made. That vitality does not happen by accident. It is sustained through shared investment, thoughtful planning, and a deep commitment to place.

As we look ahead, The Bricks is launching a renewed approach to community support through the Bricks Partnership, a mission-based investment model designed to strengthen Downtown Hays year-round. This model invites individuals, businesses, and community partners to invest in the core work that makes downtown successful every day.

Through your partnership, you help fuel:

- Year-round events and experiences that bring people downtown
- Support for local businesses, entrepreneurs, and property owners
- Beautification efforts such as lighting, décor, and streetscape enhancements
- The staff, operations, and systems that ensure long-term sustainability

The Bricks Partnership is built on the belief that a thriving downtown benefits our entire community—economically, culturally, and socially. Your annual investment helps ensure that Downtown Hays remains vibrant, resilient, and positioned for future growth.

Below, you will find information outlining the Bricks Partnership investment levels and the impact each level supports. We welcome partners at every level and are grateful for all forms of support, including financial, in-kind, and volunteer engagement.

Thank you for considering this invitation to partner with The Bricks. Your investment is not simply a donation—it is a commitment to the heart of Hays and to the community we share.

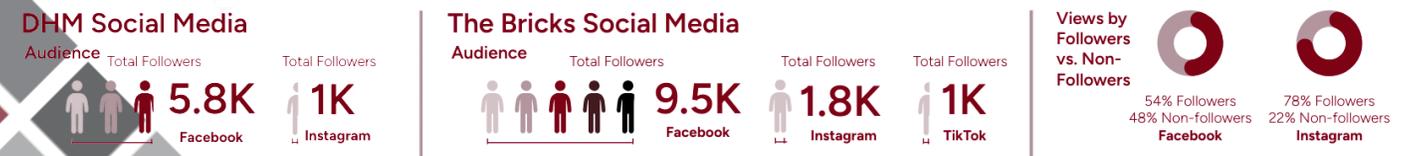

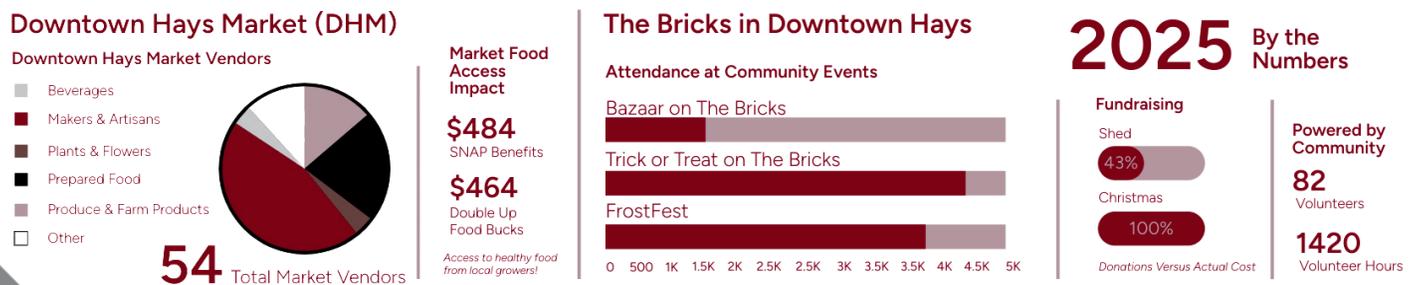

With sincere appreciation,

Lee Ann June  
Executive Director
